## POTATO RULES. PLEASE OBEY!

Out of respect for the potato famine of 1846 our Irish chef donates fries to be served with burgers, our Fried Fish and Tuna Steak sandwiches and homemade chips to accompany all other sandwiches at absolutely no extra charge to you (but it is an absolute hassle for our kitchen to switch them around). So look at it this way... basically, you buy the sandwich & the potatoes are FREE. Please don't look a gift spud in the eye! No substitutions. We hate to be a dictator, but please obey the rules. Thanks.
